Cheerios spoonfuls of stories
encouraging kids to read.

Our Commitment To Kids Doesn't Stop With Breakfast.

Just as Cheerios cereal helps fuel kids to start the day, reading gives them the power to succeed in life. That's why we continue to give away award winning books free inside boxes of Cheerios cereal.

- Just like the girl in this story, you can be anything in the whole wide world with a little imagination. What are some other animals you could pretend to be?

  How would you be a lion?

  Can you act like a puppy dog?

  What's your favorite animal?

  What sounds do they make?

  How do they move?

- Visit **www.spoonfulsofstories.com** for more game ideas to help unleash your wild imagination.
