Rainy Day Game

Instructions:

You can be Henry, Mudge, Annie, Henry's mom, or Henry's dad. Pick a coin for your character (two people can be Henry or Mudge as long as they use different coins!). Roll the die and move your coin that number of spaces. Follow the directions if you land on a square with directions on it. The first player to arrive "home" wins!

Mudge shakes the water and mud off his body. Now you are covered in it! Go back two spaces to dry.

Hooray! You are back at home. What a beautiful rainbow!

Splash! Go back one space to play in a puddle with Mudge.

Mudge hides in the bathroom. Go back one space to wait for him.

Rescue the puppies.
