Dear SpongeBob,

I am throwing a party next week and I want it to be great.

We’re going to play “Pin the ____________on the ____________,” “Musical ____________s,” and “Capture the ____________.” But I need help figuring out what else to do. Any advice?

Signed,
Party Hearty

Dear Party Hearty,

The secret to a good party is good food, good music, and good friends! My favorite party foods are pizza with ______________ and ______________ on top, ______________ cupcakes, and of course, Krabby Patties. I know all the latest dance moves so if you invite me to your fun party I’ll show everyone how to do “The Funky ____________” “The ____________ ________,” and “The ____________ Twist.” Most importantly, you need good friends at a party! They can help you clean up. And like my friend Patrick always says, “A party without friends is a like a ____________ without a(n) ____________ in the _____________."

Good luck,
