HOST A B. Y. O. B. EVENT—BRING YOUR OWN BEAR!

The B. Y. O. B. event is an enhanced event that includes all the activities from the regular event, plus a few additional activities that children can do with their very own bears.

Note: If you choose to run the event as a B. Y. O. B. event, make sure to promote it that way when letting people know. We don’t want anyone to feel left out for forgetting his or her bear! You may want to have a few extra bears handy, just in case.

“Bring Your Own Bear” Activity Event Games:

**Bear Introductions**
- Have the kids sit in a circle with their bears. Pick a child to start, and then everyone can take a turn introducing themselves and their bear to the rest of the group. (Example: Have the child say his/her name, the bear’s name, and how/when he or she got the bear.)

**Bear Friends Drawing Activity**
- Partner the children. If there is an uneven amount of kids, have one group of three. Give each child a Bear Drawing Sheet and have him or her draw a picture of their bear. When they are done, have them switch bears with their partner and draw their partner’s bear. If someone forgot to bring their own bear, they can draw a picture of any bear they want. Now every bear in the picture has made a new friend! Note: The drawing sheets will not have directions on them. You will need to explain what to do.

**Musical Bears Game (You will need a radio/CD player for this)**
- This game is played as a combination of Musical Chairs and Hot Potato. Have the children sit in a circle with their bears. Take one bear away. When the music starts to play, the children pass the bears around clockwise. When the music stops, they stop passing the bears. Whoever is left without a bear is out, and that child gets to control the music for the next turn. Continue playing until only one child is left. That child is the winner and will receive the Musical Bears Award. Remember that whoever is controlling the music is not allowed to peek at the circle!
BEAR GETS LOST

Oh, no! Bear has gone out to look for food, and he can’t find his way back home. Help Badger find his way through the maze so that he can bring Bear back before Bear gets scared.
