

# JUST FOR OFFICIAL EXPLORERS!

LEARN TO MAKE A SAILOR HAT JUST LIKE BOBO'S!

1. Have a grown-up help you cut a 12 x 22 inch piece of gift wrap, or use a half sheet from the funny pages in your newspaper.

2. Put the paper on a table with the short edge closest to you. Make sure the blank or less interesting side of the paper faces up so you can't see the pattern for now.

3. Grab the top of the paper and fold it towards you to fold the paper in half.

4. Fold the paper in half again, this time from side to side. Crease the fold and then unfold the paper once, so that there's a line down the middle of your paper where you creased it.

5. With the open side of the folded paper facing you, fold the top corners of the paper down to meet at the crease in the center. Your paper should now look like a triangle with a little extra at the bottom.

6. On the open side (the long side of the triangle), pick up just one layer of paper and fold it up towards the point of the triangle.

7. Flip your paper over, and fold up the other layer of paper on the long side the same way.

8. Slide your fingers into the opening at the bottom of the triangle and fluff your paper out to make a 3-dimensional hat that will fit your head. Now you're a real explorer!
