# Who Is Home?

The Gargleson-Bittles need help figuring out which fact belongs to each of their amazing pets! Match each fact to the correct pet.

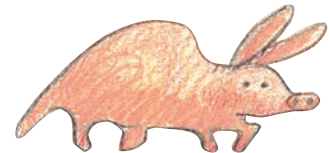

I love to snack on ants! I use my long snout to smell and eat them.

My beautiful shell is my permanent home. As I grow, my shell will grow too.

Although I am quite large, I am exceptionally fast. I can swim up to 30 miles per hour!

I can hide in the snow and the shade because of my amazing, furry camouflage.

Staying hydrated is very important, so instead of using my mouth, I drink water from my skin.
