

Memory Matching

Print this sheet, cut along the dotted lines to create cards, and get ready to play!

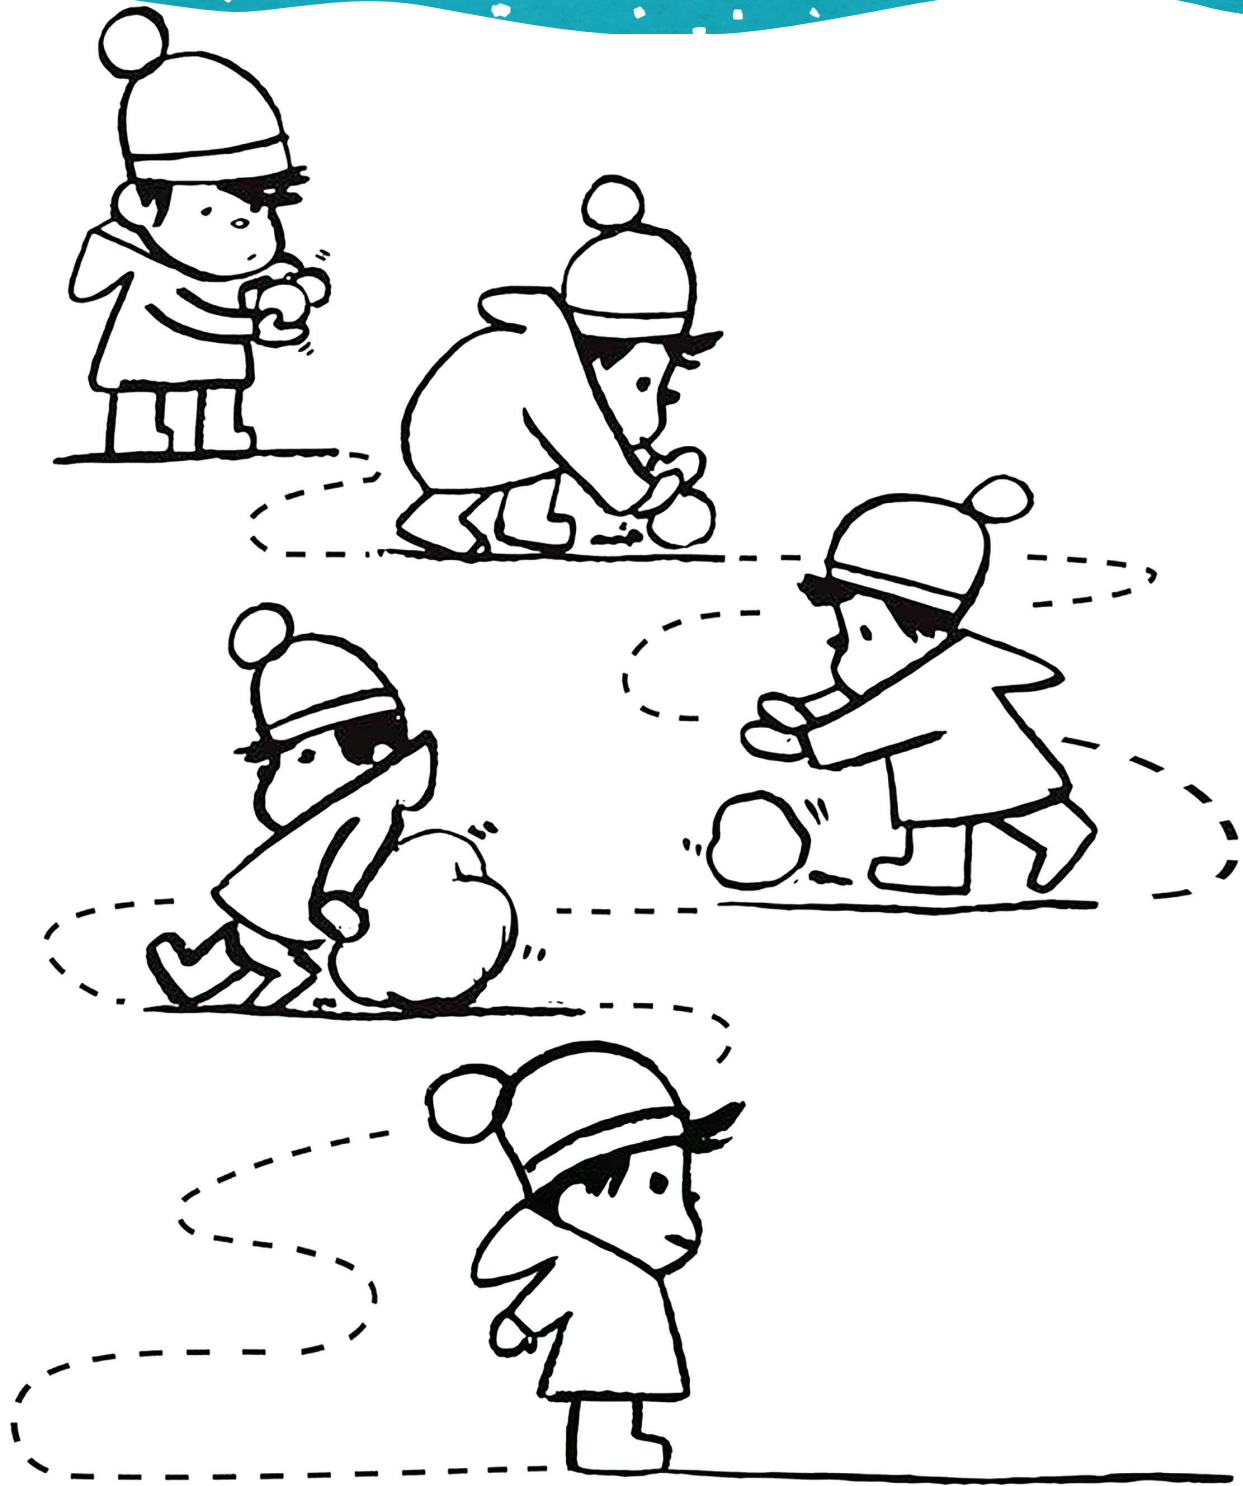

Rules:

1. Mix up the cards, then place them face down on a flat surface.
2. Each player takes a turn flipping over two cards at a time, trying to find a match.
3. If a match is made, the player keeps the cards. If no match is made, turn the cards face down again in the same spot and the next player can take their turn.
4. When all the pairs are matched, the player with the most cards wins!
