MATCHING

Logan likes to spend time in his Fix-It Shop.
He finds old or broken things and fixes
them so they are like new again.

Brainstorm ways to fix up these old or broken items.
Use the materials and tools on the right side to
fix up the items on the left side!

1. This wheel's spokes have broken
and cracked! I can put it back
together with

Screws and
screwdriver

2. These boots are old and don't
tie up anymore. I can fix that
with some

Paint

3. This chair is missing a few screws
causing its legs to wobble. I can
stop the wobble with some

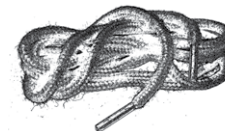

Glue

4. This picture frame is old and
chipped. I can smooth it down and
repaint it with

Sand paper

Shoe laces
