

Camp Prodigy

A vibrant, cartoon-style illustration of two children playing violins in a camp setting. In the foreground, a boy with brown hair, wearing a blue and pink striped shirt and purple shorts, sits on a large log, playing a brown violin. To his right, a girl with dark skin and hair in a bun, wearing a purple dress and black boots, stands and plays a red violin. They are on a wooden path. In the background, there are green pine trees, a wooden cabin with a sign that says "CABIN ALTO", and mountains under a blue sky.

Accomplish Your Goals!

Both Tate and Eli have big dreams when they start the summer at Camp Prodigy, even if those dreams are a little intimidating. It can be helpful to keep track of your goals and brainstorm how to accomplish them. Use the space below to write down some things you want to achieve and plan how you will do it!

Example:
This summer I want to learn how to swim, so I'll...
1. Call up different swim schools
2. Book swim lessons
3. Buy swim gear and goggles
4. Get excited about learning something new!

This year I will accomplish...
