# UNICORN BOOKMARK!

Make your own unicorn bookmark for the next time you're reading your favorite book in the *Skandar series*!

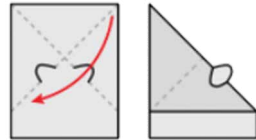

1. Cut out the bookmark along the red lines on the outside and around the unicorn.

2. Turn over the bookmark and fold the left corner down, minus the unicorn, along the yellow triangle.

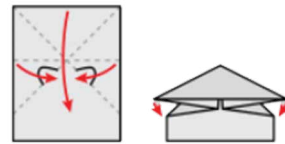

3. Unfold and repeat the previous step with the right corner. Unfold again.

4. Turn the bookmark face up and fold the top of the bookmark down. Unfold.

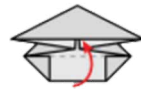

5. Push the yellow triangles inward towards each other. Do the same with the orange triangles until the bookmark is flat.

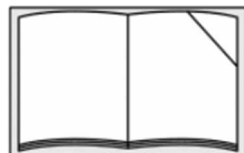

6. Turn the bookmark over. On the overhanging flap, fold the smaller triangles inward.

7. Fold the flap into the top opening, creating a pocket for the page.

8. That's it! Your bookmark is complete.
