

# My Garden Song

Read the book *My First Garden* together, and then sing this song to the tune of "Twinkle, Twinkle, Little Star." Create hand motions to accompany the song.

## MY GARDEN SONG

Growing, growing, little seed,  
How I wonder what you'll be.  
A cabbage, a turnip, something green?  
A carrot, a squash, a lima bean?  
Growing, growing, little seed,  
How I wonder what you'll be.

Growing, growing, little seed,  
How I wonder what you'll be.  
You will need the sun so bright,  
To give you all its shining light.  
Growing, growing, little seed,  
How I wonder what you'll be.

Growing, growing, little seed,  
How I wonder what you'll be.  
Oh, the raindrops, when they fall,  
Will help you grow big and tall.  
Growing, growing, little seed,  
How I wonder what you'll be.

Growing, growing, little seed,  
How I wonder what you'll be.  
Wow! I can't believe your height,  
How tall you've grown overnight.  
Growing, growing, little seed,  
How I wonder what you'll be.
