Maybe Just Ask Me!

We all have things that make us different.

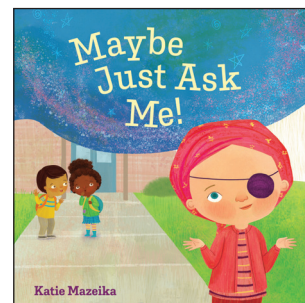

What kinds of things do you wish other people just asked about you?

[illegible]

Name: _____

Draw Your Favorite Thing

Mazie is nervous on her first day at her new school. How will the kids react to her eye patch and bald head? Will she make new friends? But in art class, all her worries are temporarily forgotten when she gets to draw her favorite thing. Draw your favorite thing in the frame below!

What part of the school day helps you forget your worries?

Why?
