# CUSTOMIZE YOUR BROOM

Learning to fly is a part of every witch's journey, and now is the time to enchant your broom! Your broomstick will need a special charm or design that is unique to you—your spark is what will allow for the magic to flow through. If you enjoy art, you could add splashes of paint, or if you like to bike, a comfy seat. The sky is the limit!

You are now ready to soar on your first witchy adventure!
