MAKE YOUR OWN FORTUNE TELLER!

1. In each of the eight center triangles, write down your fortunes

2. Carefully tear out the square on the next page, following the dotted line

3. Flip the square over so the design is facing down

4. Fold in half so the corners touch and you have a triangle

5. Unfold

6. Repeat step number four, folding in the opposite direction

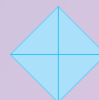

7. Unfold, and you should now have an X

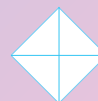

8. Fold each of the four corners into the center

9. You should now have a diamond shape

10. Flip your diamond with the folds facing downwards

11. Fold each of the four corners into the center

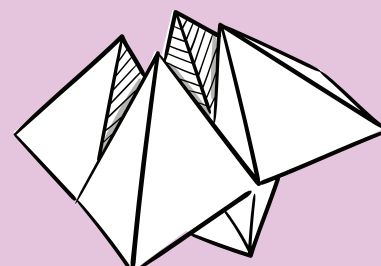

12. You should now have a small square

13. Fold the square horizontally, into a rectangle

14. Slide your fingers inside, and your fortune teller is ready!
