

Get your dancing feet ready!

Just like Chickie, you can learn how to dance from a friendly band of animals who know all the right moves!

Color in and cut out the cards below showing each member of The Rhinyls. Then, have the group leader assign everyone one of the band members. Wear the card around your neck as a badge necklace by threading string through the openings.
(NOTE: If you have more kids than band members, simply make copies of this page so you have additional badges.)

The group leader should play the book's accompanying song at VanFleetBooks.com. As the music plays, practice the dance move you're assigned. The group leader will pause the song at random. Each time the song is paused, trade your badge with another band member until you get a turn to dance every move!

You can DANCE!

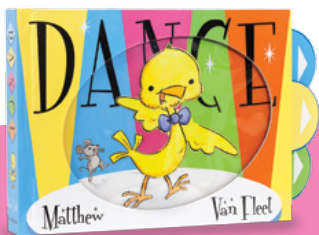

Chickie learns the Hippopota Hula, the Bouncy Bunny Hop, the Gator Mashed Potater, the Crazy Piggy Tap, and the Busy Beaver Bop.

Draw a picture below of *your* signature dance move! Don't have one? That's OK. Make one up!

Large empty rectangular area with a scalloped border for drawing a signature dance move.
