# All Aboard for Spring!

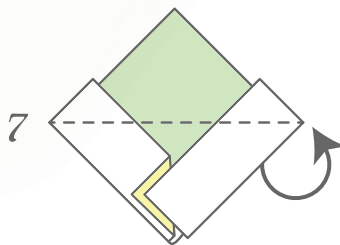

Squirrel welcomes Spring by building boats.  
You can too by grabbing a piece of printer paper  
and a parent and following the instructions below!

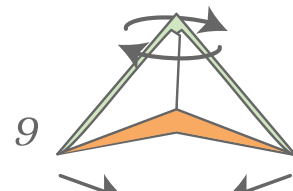

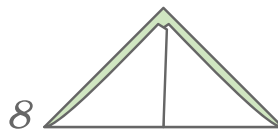

Open up the paper so it can stand like a pyramid.

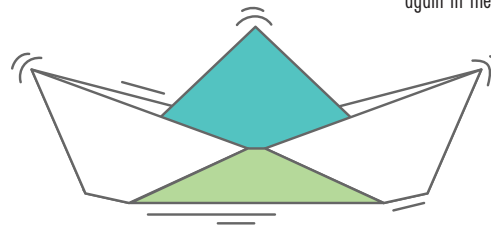

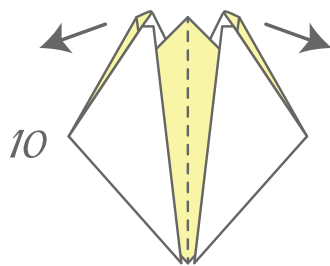

Fold the paper vertically along the middle so that the edges are now the center.

Fold the bottom half of the square up.

Fold along the middle so that the edges are once again in the center.

# Looking for Spring!

Bunny enjoys all the beauty of Spring  
with her friends outside.

Find the beauty yourself by going outside  
with an adult and looking for the following:

1 ladybug

5 flowers

4 birds

3 clouds

2 trees

1 butterfly
