

Cat Counting

A large group of cats is called a clowder. The clowder of cats below has gotten together to play. Can you answer the questions below about this clowder?

How many cats are in the clowder? _____

How many cat paws are in the clowder? _____

How many cat ears are in the clowder? _____

How many cat toys are there? _____

Bonus question:

If each cat has 4 toes on each paw, how many cat toes are in the clowder?

Cat Opposites

Good cat, bad cat. Big cat, little cat. These are examples of opposites. For each of the examples below, draw what the opposite would look like. For example, the first cat is a thin cat. Next to it, try to draw a fat cat.

THIN CAT

FAT CAT

BIG CAT

SMALL CAT

HAIRY CAT

BALD CAT
