

Eye Spy

Note to event coordinator/teacher: Photocopy and cut-out the five Olivia illustrations below and place them in different places throughout your store/classroom. You should place them in locations that align with the clues provided. Event attendees/students will have to find all of the Olivia illustrations scattered about.

Olivia has a penchant for eavesdropping. To do this successfully, she often must go undercover. Can you find the five disguised Olivia illustrations below hidden in your bookstore/classroom? Clues are listed below each one.

Olivia knows the *key* to spying stealthily.

Olivia is skilled in the *art* of spying.

The truth is *enlightening*.

Be careful, you don't want to accidentally *step* on an undercover Olivia.

If all else fails, Olivia may need to *sniff* out the truth.

OLIVIA Undercover

Every proper spy needs a proper disguise.
Use the snout mask below for your next undercover operation.

1. Color-in the mask.
2. Cut along the dotted line.
3. Hole punch the X marks.
4. Use one piece of string or elastic to connect the two holes to create a strap around your head. This will help keep the snout mask in place.
