

Jasper Rabbit presents a

CREEPY PAIR OF UNDERWEAR!

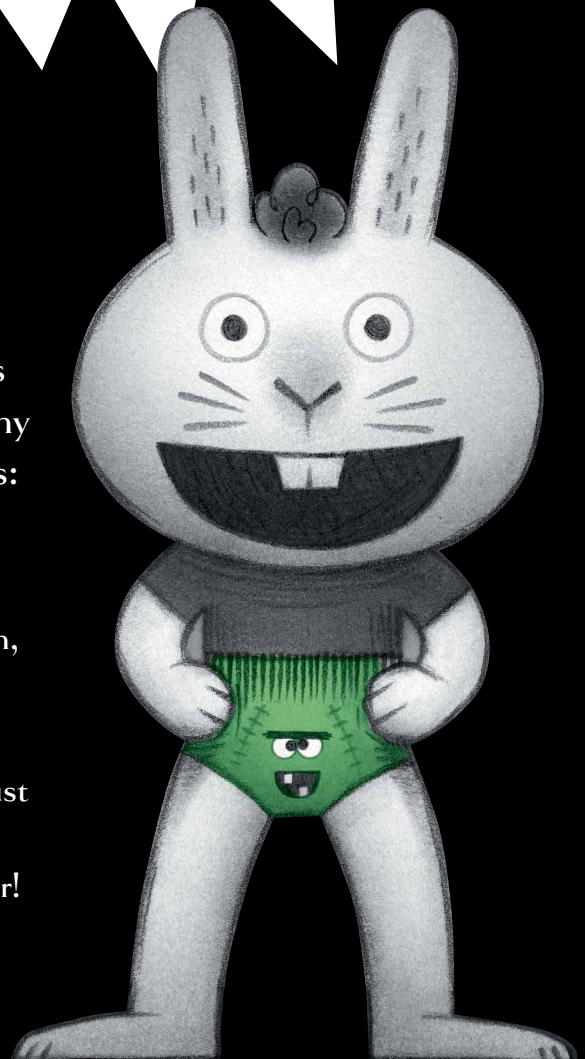

storytime event guide!

Disclaimer!

Participating in the following activities with the guidance of Jasper Rabbit, who knows first-hand the trials and tribulations of dealing with creepy underwear, will help provide training to little bunnies maturing into big rabbits. However, Jasper is not in any way responsible for the following possible side effects:

1. Induced bouts of hysterical, must-grab-your-tummy-because-it's-cramping laughter.
2. Impaired eyesight because of creepy underwear's ghoulish, greenish glow.
3. Inability to look at underwear the same way as before.
4. The waste of all regular, old-fashioned night lights. They just aren't as appealing as glow-in-the-dark underwear.
5. The desire to continue reading Creepy Pair Of Underwear! again and again (and again).

CONQUERING YOUR FEARS!

Jasper Rabbit is NOT a little bunny anymore. He's not afraid of the dark, and he's definitely not afraid of something as silly as underwear. But when the lights go out, suddenly his new big rabbit underwear glows in the dark. A ghoulish, greenish glow. Help Jasper navigate the maze below to confront his fears of creepy underwear AND the dark.
