

Stranded on the ocean floor

“How will we get back to shore?”

Help Bitty and his friends through the maze so they can return to Botco Bay!
(Be careful of sharks and giant squids!)

Robots gather at the scene. “Bots, behold our submarine!”

Bitty Bot used everything he could find to make a submarine with his friends, including his imagination. Now you can use yours! Use the space below to draw a submarine that will take you to the briny depths of the sea!

Giant squid! A sunken ship!

"Now we're talking. What a trip!"

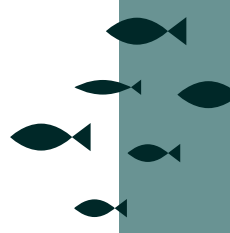

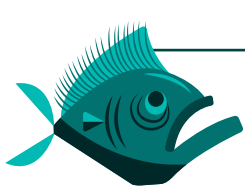

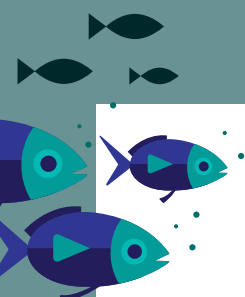

Find the words from Bitty Bot's beach day in the word search!

Captain Bitty saves the day

Finding friends at Botco Bay!

Looks like Bitty Bot and his new friends had a great day at the beach! But it looks like there's something different between the two pictures! Can you find all five?

1) flag changed color 2) crab's eyes changed color 3) no more pink shells near the slide 4) sandcastle window changed shape 5) robot on the far left is missing his antenna
