A FAMILY READING GUIDE

Questions for Around the Dinner Table

1. Did you or do you have a tree house? What was it like?
2. Who is/was your best friend in school? What's your favorite thing about that friend?
3. God makes each person special. Tell three things special about you.
4. Have you ever moved? What did you like about moving? What was the hardest part?
5. Where would you like to go for vacation? Why? What would you like to do on that vacation?
6. What does it mean that your best friends are the ones sitting around the dinner table? Can you give an example of this in your life? If not, what could you do to make best friends out of your family members?
7. Which do you like more—drawing or writing?
8. If you were going to draw a picture of your week, what would it look like?
9. If you were going to write a story about your family, what would you call it?
10. If you could ask God one question, what would you ask Him?

Meet THE BAXTERS

The Baxter Family is #1 *New York Times* bestselling author Karen Kingsbury's long-running series centered on family, love, and faith. This award-winning series consists of six separate series and over 25 books. Now, children can meet the Baxter family through the new Baxter Family Children series Karen Kingsbury writes with her son, Tyler Russell.

Activities with Your Family and Friends

1. Make cookies with your family. Decorate them and share a plate with a neighbor.
2. Draw something that represents your day, and do this every day for a week.
3. Write a paragraph about your day, and do this every day for a week.
4. Leave your electronics at home and explore your neighborhood. Then draw a picture of what you like most.
5. Write a short story about something imaginary that could happen on your street.
6. Offer to help someone at home with schoolwork or a chore. How did that feel?
7. Plan a breakfast party for your family and help cook.

Did You Know?

- Ann Arbor is so cold in the wintertime that the parks department sprays water on open fields to create neighborhood ice rinks.
- On average, families move every 1.5 years.
- It takes eight years of college education to become a doctor.
- The Eiffel Tower in Paris is 1,063 feet tall.
- A butterfly spends up to twenty-one days in a cocoon.
