

Pin the Tail on the Pony

How to Play

1. Print out these two pages on 8.5 x 11 paper. This page has the tails you will try to “pin” on the pony poster.
2. If you have more than 3 players, print out more copies of this page with the tails, so that you will have one pony tail for each player.
3. Color the pony tails. Use any color you want, and make each tail a different color! These are the tails that you and your friends will try to pin on the pony.
4. Cut out each tail on the dotted line. Put a small piece of tape on the back of each cut-out tail.
5. Tape the pony poster up on the wall.
6. Finally, put a blindfold on, spin around, and try to “pin” the tail on the pony! Take turns with your friends. Whoever is the first to pin the tail in the right place, wins!
