

# Green Tips for green Readers!

- ✿ Take your parents for a walk in the park (and make sure they stop to watch the butterflies with you!)
- ✿ Save water by turning off the water while you brush your teeth.
- ✿ Save energy by turning off the lights when you leave a room.
- ✿ Save energy by closing the refrigerator quickly after you've taken out your food.
- ✿ Plant an organic vegetable garden with your parents.
- ✿ Start an art project basket for odds and ends you might otherwise throw out.
- ✿ Ask your parents to buy you a lunch box, and use tupperware instead of sandwich bags.
- ✿ Drink juice out of a glass when you're at home - save juice boxes for when you're on the road or at school.
- ✿ Instead of watching TV one night, take a family walk!
- ✿ Have a camp-out in your backyard. Make sure all the lights are off in the house so you can see the stars.
