

Princess Me The Royal Castle

Long live Princess You! But where will you live?

In the space provided below, use crayons, markers, colored pencils, or any other crafty materials to create your dream castle! Remember that castles also have features to protect you from intruders such as gates, drawbridges, and watchtowers. Include these in your drawing.

My Castle

Princess Me Regal Rules

Now that you have created a safe place to live, it is time to create the rules of the land! Come up with three laws that new comers to your kingdom must obey. Here are some ideas to get you started:

Rule #1: All who enter this room shall curtsy or bow. You will be permitted to go about your business when I have allowed you to begin.

Rule #2: No one shall disturb my slumber on a Sunday morning. Anyone who so chooses to do this anyway will suffer the consequences.

Rule #3: Homework will not be done between the hours of 3 and 4 o'clock. This time will be reserved for a snack and relaxing time only.

Directions to assemble the crown:

Print out two of these sheets. Decorate the crown as much or as little as you would like! Remember to decorate the circles, triangles and bottom rectangle. Cut carefully along the dotted lines. Use glue or tape to attach the two cut out pieces together from each sheet. Then attach the other ends together making sure the crown fits just right.
