

**Dear Bookseller,**

Olivia is back and better than ever in a brand new event kit!

Thanks to all of you and to the scores of high-energy, creative, naughty, (mostly) loveable children around the world who can identify with her, Ian Falconer's inimitable piglet has joined the ranks of such picture book heroines as Eloise and Madeline.

In *Olivia Goes to Venice*, her first brand new adventure in three years, Olivia takes her discerning eye for style to beautiful Venice on a family vacation that involves dodging pigeons in the Piazza San Marco, gorging on gelato, and barely staying afloat in a gondola.

You too can take a trip to Venice with this exciting event kit! Olivia has packed these things for you:

- Activity sheets to complete
- Stickers to share
- A poster to hang
- An Olivia item to use as a prize or in a raffle

You now have all the elements, so, like Olivia, you will know "how to do everything."

As usual, Olivia will steal the show!
